

DEPARTMENT OF THE ARMY
ASSISTANT CHIEF OF STAFF FOR INSTALLATION MANAGEMENT
600 ARMY PENTAGON
WASHINGTON DC 20310-0600

OCT 28 2003

DAIM-ZA

MEMORANDUM FOR DIRECTOR, INSTALLATION MANAGEMENT AGENCY

SUBJECT: On-Post Municipal Solid Waste Landfills

1. References:

- a. DAIM-ZA Memorandum, On Base Municipal Solid Waste Disposal, 20 Nov 02
- b. DAIM-ZA Memorandum, On-Post Municipal Solid Waste Landfills, 13 May 03

2. The installation data and analyses, required by Reference 1.a., and upon which the decisions in Reference 1.b. were made, have been determined to be incomplete. Reference 1.b. is hereby rescinded.

3. As a result of the revised installation data, and updated economic analyses, which were briefed on 17 September 2003, approval is granted for retention and continued use of the existing on-post landfills at the 14 installations listed below, subject to the conditions enumerated in paragraph 4:

	Installation	Reason
1	Camp Zama	Host Nation Laws Prevent Off-Post Disposal
2	Dugway Proving Ground	On-Post: More economical
3	Fort Bliss	On-Post: More economical
4	Fort Detrick	On-Post: More economical
5	Fort Greely	On-Post: More economical
6	Fort Hood	On-Post: More economical
7	Fort Irwin	On-Post: More economical
8	Fort Sill	On-Post: More economical
9	Fort Stewart	On-Post: More economical
10	Fort Wainwright	On-Post: More economical
11	Lonestar Army Ammunition	On-Post: More economical
12	Sierra Army Depot	On-Post: More economical
13	Stallion Range (WSMR)	On-Post: More economical
14	Yuma Proving Ground	On-Post: More economical

4. The viability of using the on-post landfill shall be periodically re-evaluated to ensure that this alternative remains the best choice. This review shall be conducted every five years, at a minimum, and the results reported to OACSIM. No new landfills will be

constructed or opened on Army installation property. Existing landfills will not be expanded beyond current boundaries, as approved by a state or federal regulatory permit. Documentation of the current permitted landfill footprint shall be maintained at each installation and periodically verified by the IMA Region through on-site inspection.

5. The landfills at Fort Lewis and Baumholder shall be closed as requested and in accordance with applicable environmental requirements and funding capability.

6. The OACSIM POC is Mr. William Eng, DAIM-FDF-U, (703) 428-7078, William.Eng@hqda.army.mil.
